"IT WAVES FOR ALL"

WINS PURDUE AWARD FOR 5TH STRAIGHT YEAR

GERALD CLODFELTER
RATES SCHOOL'S "HALL
OF FAME"

Gerald Clodfelter, Clinton township Shorthorn cattle breeder and farmer, was honored by Purdue University Thursday when the Department of Agriculture awarded him for the fifth consecutive year, the "Distinguished Purdue Ag" award, a result of this award, his name will hang in "The Hall of Fame."

Clodfelter has won awards for five years in the Gold Medal club and the requirement for this honor Thursday is that a Purdue graduate who wins five awards of this nature each year for five years, is considered to have his picture in the hall of fame.

The honor is one that comes to but few graduates of Purdue University and is an outstanding one to come to a well-deserving Putnam county cattle breeder and farmer.

Among those present when the award was made were Mr. and Mrs. Ray Clodfelter, his parents, Mrs. Gerald Clodfelter, Kenneth Harris, county agent and Mr. and Mrs. Emory Brattain.

THANKS FOLKS

Mr. S. R. Rariden, Editor of The Daily Banner, Greencastle, Ind.

Dear Mr. Rariden:

Having been one of your subscribers for many years, I was sorry to hear of your loss due to the fire in your plant on Christmas night. Receiving my Daily Banner every evening I would, indeed, have missed it the past Tuesday night. Knowing it must have been under the most extreme difficult circumstances to publish a paper that day, I with my neighbors, wish to express our appreciation to you and your staff in seeing that your subscribers were provided with the news that night.

A Subscriber

MORE THANKS DUE

In mentioning our friends who offered very material aid to us during our fire, we overlooked the Putnam County Farm Bureau who sent us a 10 horse power motor for our press and to Mr. and Mrs. Lee Hubbard who even furnished rubber boots in addition to telephone and other help. To these we want to say "Thanks a lot."

3 Buses Added To City Schedule

Under a new schedule effective next Tuesday, the Indiana Railroad will add three new bus trips from Greencastle through Terre Haute and one new trip in the opposite direction, according to L. C. Brown, local agent. The departure time of several trips to Indianapolis will also be changed at the same time.

The first bus for Indianapolis will leave Greencastle at 5:30 A. M. instead of 5:05 and the last bus to the city will leave here at 11:51 instead of 11:17. Other eastbound buses are scheduled to leave at 6:15 A. M., 6:40, 7:55, 10:10, 12:30 P. M., 2:30, 5:36 and 7:31. On the new schedule there will be a total of six through buses daily to Terre Haute, leaving Greencastle at 11:50 A. M., 2:05 P. M., 4:35 P. M., 6:00 P. M., 8:50 P. M. and 11:10 P. M. No change will be made in the present service to or from Fillmore, Coatesville, Amo and Clayton.

SOUTH AFRICAN MISSIONARIES SPEAK, DEC. 31

REV. AND MRS. RONK AT
CLINTON FALLS CHURCH
SUNDAY

Rev. and Mrs. Ernest Ronk, natives of north Putnam county, who left the United States three years ago to go to the Congo Belgium area in South Africa as missionaries, will speak in the Clinton Falls Methodist church Sunday evening, December 31. They will also show colored slides of their work in South Africa.

Rev. and Mrs. Ronks returned to the United States because of Mrs. Ronk's health. They have many friends and acquaintances who will no doubt be interested in their work among the natives of the Dark Continent and will be able to see many of them in their colored pictures. The public is cordially invited. The meeting will open at 7 o'clock.

Slayer Paroled After 19 Years

SPRINGFIELD, Ill., Dec. 28.—(UP)—Russell R. McWilliams, who was sentenced three times to die in the electric chair, won a parole today after 19 years in prison.

McWilliams shot and killed a Rockford, Ill. streetcar motorist after a holdup in 1931, when McWilliams was only 17.

Three times he was found guilty of murder and sentenced to die. The first two times he appealed and won new trials.

After the third sentencing, the case was brought before the late Gov. Henry Horner. On April 18, 1933, just three days before McWilliams' scheduled execution, Horner changed the sentence from death to 99 years.

Officials at Stateville, prison, Joliet, Ill., reported that McWilliams was a model prisoner and had an excellent record in prison. So last Nov. 16 Gov. Adlai E. Stevenson reduced the 99-year term to 57 years.

Under Illinois law, that made McWilliams eligible to apply for parole. He did, the parole board conducted a hearing, and today it ordered him freed from prison.

Edward Wood Is Rotary Speaker

Edward Wood, Greencastle accountant, gave Rotarians an insight into the social security laws in a talk before this civic organization on Wednesday.

Mr. Wood, who is well versed in the social security laws and recent changes, told his audience of Rotarians some interesting points on how they will be affected. His talk was informative and enjoyed.

Guests of the Greencastle Rotarians were John Thomas, prosecuting attorney of Brazil; John Peters, a representative of the Dodge Corporation of Detroit; Ervin Eggleston of Mooresville, and Roland Webb of Anderson.

ENTERS HOSPITAL

M. J. Murphy, well known Greencastle attorney, is a patient in the Putnam County hospital.

MRS. M'FERRAN, CO. HOSPITAL HEAD, RESIGNS

ILL. HEALTH GIVEN AS
CAUSE FOR HER
RESIGNATION

Announcement of the resignation of Mrs. Lena McFerran as superintendent of the Putnam county hospital after three years of splendid service, was announced today by Wilbur Maury, Business Manager.

Mrs. McFerran is leaving her duties here because of ill health.

The Board of Trustees today appointed Miss Mary Finn as the new superintendent. Miss Finn has been with the local hospital for the past six months and is well qualified to fill the responsible position to which she has been named.

At a recent meeting of the Board of County Commissioners, Howard Myers was re-appointed a member of the Board of Trustees of the Putnam county hospital for a four year term.

AID APPRECIATED

Mr. and Mrs. Lee Hubbard expressed their sincere thanks today to all those who helped in any way last Saturday when their old home in Cloverdale caught fire. Quick work on the part of Cedric Pritchard and volunteers prevented serious damage to the property.

Four Hurt In U. S. 40 Crash

Howard Pitts, age 57, of Greencastle R. 2, going west on road 40 on a farm tractor, was struck in the rear by a 50 Ford coach, driven by Onofre Hill of Flint Michigan, this morning near Mt. Meridian.

Occupants of the Michigan car who were injured are, Onofre Hill, chest injuries, his wife, Josephine, cuts about the face, his brother-in-law, Manuel Hernandez, cuts about the face. Mr. and Mrs. Hill were brought to the Putnam County hospital for treatment and released. Mr. Hernandez will remain in the hospital overnight for treatment. Mr. Pitts was X-rayed at the county hospital and taken to the Veterans hospital in Indianapolis.

PLAN COUNTER-OFFENSIVE

TOKYO, Dec. 28.—(INS)—Reports from Taipei said today Generalissimo Chiang Kai-shek's Nationalist army on Formosa has reached an advanced stage in its plans for a counter-offensive against Communist China by invading the mainland. These reports said the army has designated four generals to lead the invasion of the Asiatic continent from Chiang's island stronghold, where for a year and a half the generalissimo has been training his troops.

Jets Guarding New York City

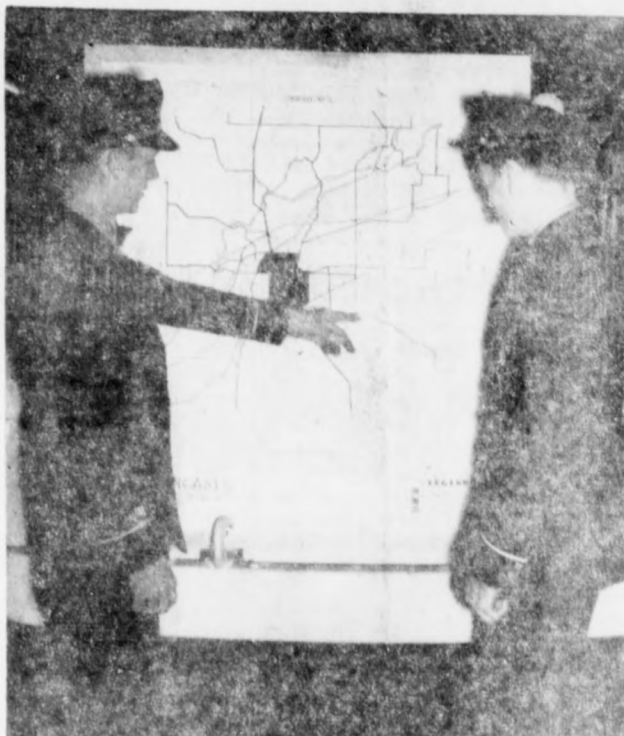

NEW YORK, Dec. 28.—(UP)—The Air Force has put its newest all-weather jet interceptor fighter planes on 24-hour guard duty over New York City's millions of residents and the vital industrial areas of the East.

The continental air command said today that pilots and planes of the 52nd Fighter all-weather wing at McGuire Air Force Base, Fort Dix, N. J., are on a round-the-clock standby alert against any attack on the vital eastern seaboard states.

The new all-weather jets, the 600-miles per hour F-94, a souped-up version of the F-80 Shooting Star, is capable of meeting any enemy air attack "within a few minutes" at any time.

The F-94's make it possible to protect the vast populations of New York and neighboring states and the heavy industries of the East in all weather—fair or foul. The radar and electronic equipment of the plane permits operational flying under heretofore impossible conditions.

EXAMINE NEW FIRE MAP

Captain Cassel Balay (right) and Chief William Lawrence, of the Greencastle Fire department, are shown inspecting the new city and township map which is now being used by the firemen. This detailed map gives an accurate check on locations in case of any confusion when an alarm is turned in to the department.

The map shows both improved and unimproved roads, giving the firemen the best possible data on highway conditions in reaching the scene of a blaze. In addition to this map, the firemen are compiling an index system which when completed will give the department a thorough acquaintance as to water conditions and who resides on the various township properties.

Two Die At R. R. Crossing

ELKHART, Ind., Dec. 28.—(UP)—Two persons were killed last night when their car was hit by a New York Central mail train at a county road crossing southeast of here. State police identified them as Joseph J. Carter, 20, and Violet Johnson, 28, both of Elkhart.

2 MEN KILLED, WIFE WOUNDED BY EX-CONVICT

SLAYER HELD IN MARION
COUNTY JAIL PENDING
CHARGES

INDIANAPOLIS, Dec. 28.—(UP)—An ex-convict who shot and killed two men and wounded his wife yesterday sat quietly in a Marion county jail cell today as authorities prepared to file charges against him.

Ethridge Grubbs, 35, was captured at a Franklin roadblock last night by State Police Supt. Arthur M. Thurston, who said he went there "on a hunch." Police said he probably would be charged with murder.

Police said Grubbs killed his brother, Warrick Grubbs, 32; fatally wounded N. Neal Shaw, 50, and wounded his wife, Helen Grubbs, 35, in a family squabble. Grubbs refused to answer questions and told police he "had been in a daze since Christmas."

Grubbs killed his brother with a shotgun at Canby, about 10 miles southwest of here, yesterday afternoon as Warrick walked out of his house to Ethridge's car. Police said Grubbs then went to Shaw's home and asked Shaw to drive the brother to a hospital. Instead, Grubbs forced Shaw at gunpoint to drive to near Brooklyn where he shot Shaw, pushed him from the car and drove away. Shaw died early today in Methodist hospital here.

Mrs. Grubbs, who was wounded slightly in the arm and hand, told police she and her husband started quarreling earlier in the day. Grubbs, released from a grand larceny term at state prison only last September, picked up four hitch-hiking soldiers from Camp Atterbury after he shot Shaw. They were with him when Thursday.

GREET PRESIDENT ON ARRIVAL IN WASHINGTON

PRESIDENT TRUMAN leans forward to hear a question from Treasury Secretary John Snyder (left) as he arrives in Washington for a conference with defense chiefs, after cutting short his Christmas vacation. Also on hand to meet the President are: Secretary of State Dean Acheson (second from left) and Defense Secretary George Marshall (right). The presidential plane made a record flight from Kansas City to Washington. (International)

ACHESON CONFERS WITH TOP MILITARY AUTHORITIES

SECRETARY OF STATE Dean Acheson and top military authorities report to a closed session of the Senate and House foreign relations committee on the historic Brussels conference. From left: Army Secretary Frank Pace; Acheson; Army Chief of Staff Gen. J. Lawton Collins, and Senate armed services committee members William F. Knowland (R), California, and Chan Gurney (R), South Dakota, who were invited to sit in at the meeting. (International)

ton, with gun drawn, arrested him at Franklin.

State police, who questioned him at headquarters here, said a drunkometer test showed .019 alcohol. A person testing .015 is considered "under the influence," they said. Grubbs steadfastly refused to answer any questions, said he remembered nothing "since Dec. 25," and finally was taken to Marion county jail.

EXTRA!

WASHINGTON, Dec. 28.—(INS)—The Defense Department announced today that through Dec. 23 relatives had been notified of 38,325 American casualties in Korea. This was an increase of 1,991 over the total for the previous week.

The new casualty total included 5,742 killed in action, 27,012 wounded, of whom 684 have died, and 5,571 listed as missing in action.

WASHINGTON, Dec. 28.—(INS)—The Defense Department called on the Selective Service system today for 80,000 draftees to be inducted into the army during March.

The call brings to 450,000 the number of draftees requested so far and is in line with a winter mobilization program under which draftees will be inducted at a regular rate of 80,000 per month.

Draft quotas for January and February were raised to 80,000 in a special call two weeks ago.

WASHINGTON, Dec. 28.—(INS)—Agriculture officials said today that price controls on meat may force rationing.

Officials closely associated with the nation's meat situation said that if rationing is not imposed when price controls are, meat shortage would crop up in many food stores.

BOOK BRINGS LOCAL WOMAN RECOGNITION

DR. VIRGINIA HARLOW IS
ENGLISH PROFESSOR
AT DEPAUL

A Greencastle woman, Dr. Virginia Harlow, is gaining considerable recognition in literary circles as a result of the publication of her book, "A Biography of Thomas Sergeant Perry," by the Duke University Press.

Perry, a brilliant writer of the late 19th century, was a friend of Henry James, the novelist, and his brother, William James, the psychologist, as well as the well-known man of letters, William Dean Howells. With the cooperation of Mr. Perry's family, over 300 letters written to Mr. Perry were studied, and the book contains 80 hitherto unpublished letters. The biography is doubly important to students of literature but it is also of interest to the general reader as it portrays Perry as the sensitive, cultured Bostonian, a cosmopolitan gentleman, equally at home in Boston and France.

Dr. Harlow, professor of English at DePaul, received degrees from Mt. Holyoke College and the University of California, and her PhD from Duke University. Articles by Dr. Harlow have appeared in the Journal of English and German Philology, Boston Public Library Quarterly and Collier's Encyclopedia.

4TH CHINESE ARMY NOW IN SOUTH KOREA

CRACK RED OUTFIT IN-
VADES REGION SOUTH
OF 38TH PARALLEL

TOKYO, Dec. 28.—(UP)—Elements of Gen. Lin Piao's crack 4th Chinese Communist Field Army were reported invading South Korea in force and unopposed today for an all-out assault on American-defended Seoul.

Gen. Douglas MacArthur's headquarters said the entire 4th Field Army of 171,000 men would be in a position to strike at Seoul any time after Jan. 1 and may attack in lesser strength of one or more army corps even sooner.

Red troops tentatively identified as from the 4th Field Army already have occupied abandoned Kaesong and Chujon, two miles south of the old North Korean border, and pushed on in force another two miles to within 33 miles northwest of Seoul, and 8th Army spokesman reported.

A Chinese platoon also was reported across the Imjin river near Korangpo, 15 miles east of Kaesong, a mile south of the border and 27 miles northwest of Seoul.

The 8th Army spokesman said the Chinese march across the 38th parallel was unopposed. Kaesong, Chujon and Korangpo were abandoned by the U. S. 8th Army in its withdrawal to the new defense line guarding Seoul.

The apparent Chinese crossing of the 38th parallel was not regarded as the actual start of the offensive against Seoul. Rather, it was believed part of the normal Chinese buildup for the offensive.

Farther east, other Communist forces—believed North Korean—occupied the abandoned central Korean towns of Chogyo and Oron, two to four miles south of the 38th parallel, and skirmished with United Nations patrols as much as 17 miles below the frontier.

In the air, three F-80 Shooting Star fighter pilots probably destroyed two Soviet-built MIG-15 jets and damaged a third in three separate air battles during a single mission near the Manchurian border today.

The American planes emerged unscathed.

American Thunderjet fighters bombed and rocketed seven Communist tanks in a river bed 20 miles north of the 38th parallel and one lone tank near the UN front lines on the frontier—the first time Communist tanks have been sighted so far south.

Other 5th Air Force planes damaged or destroyed 59 enemy-held towns and villages, 275 buildings, 34 vehicles, 14 ox carts, six horses, 16 oxen, four locomotives and 19 boxcars.

An 8th Army spokesman in Seoul reported that Chinese troops for the first time apparently were crossing the 38th parallel into South Korea in force northwest of Seoul.

McCARRAN PREDICTS WASHINGTON, Dec. 28.

(UP)—Sen. Pat McCarran, D., Nev., predicted today that the more his subversive control law is attacked, "the stronger it will become."

McCarran said opponents of the law are "unwary and uninformed" and fooled by Communist propaganda. He had no comment on a new national organization fighting for repeal of the act.

"But so much has been put out by enemies of the law in the way of misleading statements and false information," he said, "that it is not surprising to find men of high intentions and good purposes enrolling themselves in groups which later they will regret."

last call for these bargains!**

WE think we ought to warn you — this is the last time we aim to advertise these prices.

So you'd better take a careful look at them — and what they'll buy.

They'll buy the thrill of swift, smooth, spirited travel — and trigger-quick power so mighty that few Buick owners have ever pressed it to the limit.

They'll buy sparkling style, spacious comfort and the durable, dependable, time-tested quality for which Buicks are famous.

And when you check what you get for

what you pay, you'll make this discovery. On a pounds-per-dollar basis — which is the engineers' yardstick of bedrock value — no other cars of comparable dimensions can beat a Buick SPECIAL, SUPER or ROADMASTER. Or to be more specific — Buick's straight-eight SPECIAL is priced like a six — and in the ROADMASTER "price class" you can pay 25% or more than you'll pay for these great automobiles.

But note this fact: Our supply of these bargains is limited — so you'd better come in now and see what we have on hand.

HAVE YOU A PUNY CHILD?

HADACOL May Relieve the Cause of Distress that is Dragging Your Child Down IF DUE TO A LACK OF VITAMINS B₁, B₂, IRON AND NIACIN

You don't want your child to lag behind, be below the other kids. Medicine has verified the fact that a lack of Vitamins B₁, B₂, Iron and Niacin in the system can drag children down, cause them to fall behind in their development.

HADACOL the wonderful nutritional formula has been specially compounded to overcome just such deficiencies. Results are what count and mothers are writing us about the help HADACOL has given their children who were suffering from such deficiencies.

James Edgar Johnston

There is just one example—a letter from Mrs. Edgar L. Johnston, Lake, Mississippi, whose son was suffering from a deficiency of Vitamins B₁, B₂, Iron and Niacin. Mrs. Johnston writes: "About two and a half years ago, our little boy, James Edgar had a very bad case of anemia, and had to stay in bed for several months. He was so weak. We had to give him liver, and all kinds of food that would build blood. He couldn't play. Also his teeth hurt him. I heard about HADACOL and decided to try it. I

could tell a great difference. He has taken fourteen bottles. He is eleven years old, weighs 92 pounds, plays on the school ball team, rides his bike, runs and plays like other boys and feels grand, sleeps all night without waking. I have recommended it to all my friends and got them to take it. They are thrilled over finding such a fine product." If your child, like James Edgar, is run-down, lagging behind because of deficiencies of Vitamins B₁, B₂, Iron and Niacin, why not try HADACOL today. Many doctors recommend it for their patients, for their own families. Trial size bottle, \$1.25; large family or hospital size, \$3.50. Money-back guarantee. **BOYS' GIRLS' BIG FREE COMIC BOOK!** Just Write the LeBlanc Corp., Lafayette, Louisiana. © 1950, The LeBlanc Corporation

BASKETBALL FOOTBALL BOWLING

Locals Win 161 To 114; Game Sets All-Time Scoring Record

What is believed to be an all-time basketball scoring record in Putnam county was set last night up at Roachdale when a Greencastle independent team defeated the host squad, 161 to 114.

The local netters tallied 100 points in thirty minutes.

The combined scores of the two outfits totals 275 points.

Bob Moore was the big gun in the Greencastle attack, chalking up 39 points. Crosby, of Roachdale, hit for 38 points.

Sunday afternoon, the local team will play at Belle Union.

Greencastle led Roachdale, 38 to 14 at the quarter; 61 to 40 at the half; 108 to 68 at the third quarter and then went on to win, 161 to 114.

Cubs Drill For Jan. 1 Tourney

The Christmas holidays are more or less over for Coach Tom Goldsberry and his Tiger Cubs as they work out daily pointing for the tournament at Mitchell on Monday.

In addition to the Cubs and Mitchell, the Sullivan Arrows and Paoli's high school net tossers will compete in the New Year's Day affair.

Mitchell, boasting a 52 to 47 win over Greencastle, is rated the favorite to cop the tourney championship.

The local basketweavers, with a 4-6 record, could give the morris

of local fans a boost by taking the meet.

Coach Goldsberry will probably rely on McMahon, Taylor, C. Brown, B. Brown and Master as his starting lineup. The remainder of the first string squad, however, will see plenty of action during the afternoon and evening encounters.

Manager Lists VFW Net Squad

Wayne Shonkwiler, manager of the Gen. Jesse M. Lee Veterans of Foreign War basketball activities, today announced the members of the VFW squad who will play the world famous Red Heads in the local gym New Year's Day.

The Post 1550 netters have held several practice sessions and are getting into shape to give the tallest girls team in the nation some real opposition.

Squad members are Paul Giddings, Carroll Hammond, Wayne Mark, Bomber Coffman, Ray Greve, Furman Grimes, John Long, Mike Tzonanakis, Harold Surber, Lloyd Cooper, Harry M. Chalm and Wayne Shonkwiler.

Preceding Monday night's main attraction, independent quintets from Belle Union and Roachdale will stage a "rub" contest which should prove most interesting for the fans.

In memory of our son, Reese E. Frost, who passed away Aug. 7, 1949.

LOVE AND SACRIFICE

John 3:16: For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him, should not perish, but have everlasting life. I close my eyes and see My heavenly Father watching me.

Love and mercy are in his eyes As he sees and hears my cries. For I have lost a grown Son. He understands how deep my sorrow goes. Before him, I need not try to pose As brave, or gay, or even to pretend That life's the same. As I do to friends.

O God, I now can see Thy soul in agony, As you beheld your Son upon that tree, And heard him cry out unto thee, My God, My God, WHY hast thou forsaken me?

It is but human with us here below To wonder WHY and seek Thy will to know. How could Thy Love be proven so divine Without that Holy Sacrifice of thine? My human love and selfish mother's heart Could not have willingly agreed with mine to part. Yet, could we but truly understand— Death, is the entrance to the Promised Land.

They'll Do It Every Time

Question Left To Local Boards

WASHINGTON, Dec. 28 — (UP)—Local draft boards have been given the job of deciding whether individual physicians and dentists should be inducted into the armed forces or deferred to serve their communities.

The military now decides almost on its own whether medical men are needed more at home.

Dr. Richard L. Meiling, the defense department's director of medical services, said the proposed 3,500,000 man army will need nearly all medical men educated at government expense who have not already been in uniform.

Under Secretary Robert A. Lovett said last night that the new classification program will "provide a much greater degree of coordination between military and civilian efforts in utilizing available physicians and dentists."

Mrs. Anna M. Rosenberg, assistant defense secretary, said the program will begin about April 1. She said defense Secretary George C. Marshall hopes to maintain a proper ratio of physicians, dentists and "allied specialists" available to the military and civilians.

The old timers had one advantage—they wouldn't think of swapping horses in the middle of a stream but we moderns often have to change buses in the middle of a blizzard.

Bees, we read, hate the smell of alcohol. So if you see one hanging around the neighborhood tavern, take another look. It's probably a wasp.

"Hundred Pairs of Nylons Stolen"—news headline. Elementary, my dear Watson, the culprit is obviously a centipede!

The raises apply only to workers paid on an hourly basis. Pay of clerical and administrative employees is fixed by law.

Brig. Gen. L. O. Grice, commander, said the increases would mean \$750,000 more in the annual payroll.

Jeffersonville, Ind., Dec. 28 — (UP)—Pay increases averaging 10 cents an hour for 3,374 employees of the Jeffersonville Quartermaster Depot will be effective Jan. 1, it was announced today.

Francis C. Hood, 4419 Wabash, Kansas City, Mo., says that HADACOL has done so much for him to help give him the vitality he now has since he found out his system was deficient in Vitamins B1, B2, Nicotin and Iron, that he wants to fill his pick-up truck full of HADACOL and give it to folks suffering from the same deficiencies—so they, too, can be put on the road to feeling better.

This is Mr. Hood's statement: "Before I started taking HADACOL I was very nervous and sleepy all the time. Seems like no matter how much sleep I tried to get, it didn't work—I would just toss and turn all night. Then in the daytime I would be groggy and sleepy—I just felt miserable all the time. It really got me down—I was beside myself in knowing just what to do. Then one day I heard how HADACOL had helped many other folks."

"Now after taking 6 bottles of HADACOL I get a wonderful night's sleep and never wake up once during the night. I'm not a bit nervous any more either. In fact, right now I feel better than I ever felt in my life, thanks to HADACOL."

Yes, HADACOL Does Help thousands of fine folks who were suffering from deficiencies of Vitamins B1, B2, Nicotin and Iron. HADACOL is wonderful in the way it builds up the hemoglobin content of your blood (when Iron is needed) to carry these precious Vitamins and Minerals to every organ, and every part of your body. Today, even hundreds of doctors are recommending HADACOL to their patients.

You Owe It To Yourself to give HADACOL a chance. Refuse substitutes. Don't let anyone tell you something else is just as good. Insist on genuine HADACOL. You risk nothing because HADACOL is sold only on a strict money-back guarantee. You'll feel better with the first few bottles you take or your money back. Trial size only \$1.25. Large Family or Hospital size, \$3.50. If your druggist does not have HADACOL, order direct from The LeBlanc Corporation, Lafayette, Louisiana.

NEW PRIORITIES—Civilian aviation is assured of sufficient new transports and spare parts under a new priority system to keep commercial airlines in operation despite military demands on the industry.

Under the new procedure, the Civil Aeronautics Board and Civil Aeronautics Administration act as "claimant agencies" before the National Production Administration to obtain "directives" for planes and spare parts.

The directives will require manufacturer to sandwich in the transports on the assembly lines between military planes and to put out spare parts as needed.

The CAA will handle requests from scheduled and non-scheduled carriers for "whole" transports while the CAB will expedite orders for spare parts and for smaller planes for the rest of the aviation industry.

Mr. and Mrs. Carl Borden and daughters and Mrs. Esther Lyons and daughter were guests of Mr. and Mrs. Paul Lang in Indianapolis Sunday.

Mr. and Mrs. Leonard Boler and Bud were Christmas guests of Mrs. Boller's parents, Mr. and Mrs. Barnes in Terre Haute Sunday and guests of Mr. and Mrs. Wm. Boller at dinner on Monday.

The patrons of the switch board and friends made up a nice box of gifts and cash for their operator, Mrs. Jessie Hartman, who has held this place for thirteen years. She was very pleasantly surprised and thanks everyone who had a part in remembering her.

Catherine Bridges spent Christmas Day with her brother, Oll Sutherland and family.

Mrs. Jessie Hartman ate Christmas dinner with Mr. and Mrs. Carl Twigg in Greencastle.

Mr. and Mrs. John Williams were in New Port where they attended a Christmas dinner at the home of Mr. and Mrs. Orville Adams on Saturday evening.

On Thursday evening this community held a family night at the community house. They had a pitch-in supper and a Christmas tree with a visit from Old Santa and music and speeches from the younger children. Everyone seemed to have a very nice time.

PARIS POLICE, in conducting a series of raids on fortune teller parlors, confiscated a dozen crystal balls. And now they've stored them, no doubt, for future reference.

Francis C. Hood, 4419 Wabash, Kansas City, Mo., says that HADACOL has done so much for him to help give him the vitality he now has since he found out his system was deficient in Vitamins B1, B2, Nicotin and Iron, that he wants to fill his pick-up truck full of HADACOL and give it to folks suffering from the same deficiencies—so they, too, can be put on the road to feeling better.

This is Mr. Hood's statement: "Before I started taking HADACOL I was very nervous and sleepy all the time. Seems like no matter how much sleep I tried to get, it didn't work—I would just toss and turn all night. Then in the daytime I would be groggy and sleepy—I just felt miserable all the time. It really got me down—I was beside myself in knowing just what to do. Then one day I heard how HADACOL had helped many other folks."

"Now after taking 6 bottles of HADACOL I get a wonderful night's sleep and never wake up once during the night. I'm not a bit nervous any more either. In fact, right now I feel better than I ever felt in my life, thanks to HADACOL."

Yes, HADACOL Does Help thousands of fine folks who were suffering from deficiencies of Vitamins B1, B2, Nicotin and Iron. HADACOL is wonderful in the way it builds up the hemoglobin content of your blood (when Iron is needed) to carry these precious Vitamins and Minerals to every organ, and every part of your body. Today, even hundreds of doctors are recommending HADACOL to their patients.

You Owe It To Yourself to give HADACOL a chance. Refuse substitutes. Don't let anyone tell you something else is just as good. Insist on genuine HADACOL. You risk nothing because HADACOL is sold only on a strict money-back guarantee. You'll feel better with the first few bottles you take or your money back. Trial size only \$1.25. Large Family or Hospital size, \$3.50. If your druggist does not have HADACOL, order direct from The LeBlanc Corporation, Lafayette, Louisiana.

NEW PRIORITIES—Civilian aviation is assured of sufficient new transports and spare parts under a new priority system to keep commercial airlines in operation despite military demands on the industry.

Under the new procedure, the Civil Aeronautics Board and Civil Aeronautics Administration act as "claimant agencies" before the National Production Administration to obtain "directives" for planes and spare parts.

The directives will require manufacturer to sandwich in the transports on the assembly lines between military planes and to put out spare parts as needed.

The CAA will handle requests from scheduled and non-scheduled carriers for "whole" transports while the CAB will expedite orders for spare parts and for smaller planes for the rest of the aviation industry.

CAB, CAA "Claimant Agencies"

They DON'T GIVE MUCH BUT THEY KEEP TRACK OF WHAT'S COMING TO THEM

THANK TO BOB STUMPF, 152 MARKET ST., PATTERSON, CALIF.

THEY SPEND SO MUCH TIME FIGURING OUT WHAT'S COMING TO THEM, THEY HAVEN'T GOT TIME TO DO ANY WORK...

THE BOSS PUT THE KIBOSH ON THEIR RUNNING OVER TO THE DUTCHMAN'S ACROSS THE STREET, SO NOW THEY PUT ALL THEIR TIME IN AT THE WATER COOLER...

THEY TAKE OFF HOLIDAYS THAT NOBODY EVER HEARD OF...

THE ONLY THING THEM TWO GUYS REMEMBER AROUND HERE IS PAY-DAY AND WHAT DAYS THEY DIDN'T HAVE TO WORK OTHER YEARS...

THAT'S RIGHT! LET'S SEE--SIX YEARS AGO WAS WHEN FOURTH OF JULY FELL ON TUESDAY--SO WE GOT MONDAY OFF, TOO...

NO! FOUNDER'S DAY LAST YEAR WE ONLY GOT A HALF-DAY OFF--THE YEAR BEFORE WAS WHEN WE GOT A FULL DAY...

A LOT OF SILENCE FOR KEFAUVER

Thomas Kelly

Ralph J. O'Hara

WITH THOMAS KELLY, manager of Continental Press, biggest racing wire, scheduled to testify, another racing wire operative, Ralph J. O'Hara, secretary-treasurer of Continental's Transamerica, refused 44 times to answer questions put by Estes Kefauver and his crime committee investigators in charge. When Kefauver said he would ask a contempt citation, O'Hara said all "a Merry Christmas" and walked out.
